~Media Report

- Not too much to report since our meeting at the end of August, it's been kind of a quiet couple of months!
- Newsletter
 - We sent out a newsletter at the end of September
 - [View it here](#)
 - I hope to send out another newsletter later this month or early next month
 - I think this could include more details on the NCRID Road Trip stops and details, to help folks know what to expect
 - I think this could also continue the past feature of spotlighting a specific region; check out the [Dec 2020](#) one to see Land O' Sky's, and **let me know if you want your region to be featured!**
- Regional Social Media Pages
 - One of the tasks from the retreat was to get each region's Facebook pages set up, and start the process of setting up Instagram pages too.
 - Now that we've got most of them set up, I'm hoping to work with folks soon to ensure everything is working the way it should, that they're able to post properly, and to answer any questions they may have
