

North Carolina Registry of Interpreters for the Deaf

Mikki Simpson Professional Development Fund

The Mikki Simpson Professional Development Fund is a stipend that NCRID provides to its members to help offset the cost of testing. It is a one-time payment of \$100 that can be applied to either the written or performance portion of either RID Certification or the EIPA. You must be a member of NCRID prior to applying for the stipend. You may apply for the stipend once you have successfully completed one of the above-mentioned tests. The application must be submitted within 45 days after receiving your results. Proof of passing must be included with the application with a date stamp of when the test was passed.
